Hardy

Uniqua 9ft 6in 7-wt Fly Rod

Description: Hardy makes some of the best rods in the business and its new Uniqua range is packed full of the brand's usual quality.

This 9ft 6in 7-wt version is ideal for fishing reservoirs and large stillwaters – it will give you the power to make long casts and the action is fantastic. Features include an AAAA-grade cork handle, an aluminium, hard-anodised reel seat with a reel-location marker, Fuji stripper guides and hard-chrome snake intermediates.
